Tornado/Storm Shelters

Tornado/Storm Shelters are permitted in the Park on Florence as long as they meet standards as set forth in the HOA covenants. If outside they must be behind the property fence line and must conform to the dwelling structure architecture.

Make sure you contact the City of Broken Arrow to inquire about building permits that may be required as well as additional constraints the city may have concerning the building or installation of shelters.

Also contact the Broken Arrow Emergency Services to have the shelter registered, so in case there is a tornado they know to check at the residence to make sure no one is trapped inside the shelter.

Park On Florence Fence Restrictions

No fence or wall shall be erected, placed or altered on any lot nearer to the street to the minimum front yard set-back established herein and shown on the attached plat of THE PARK ON FLORENCE, and no fence or wall shall exceed six (6) feet in height above ground level.

Chain-link fences will be permitted, provided they are constructed with a wood top rail joining wood post and wood gate posts.

Wood fences shall be constructed on #2 Cedar or Redwood or better.

Spring Garage Sale—April 25th

The Spring Garage Sale is scheduled for Saturday April 25. A banner will be displayed at the Florence Street entrance several days in advance advertising the garage sale. South Park Estates will also be holding a garage sale the same day to coincide with ours. As there may be additional traffic in the subdivisions on that day be extra careful if walking and especially if you have children as they may be riding bikes or playing in the vicinity of a street. SAFET FIRST
